

Athlete Leadership

What is Athlete Leadership?

Through organized training and practical experiences Athlete Leadership Prepares athletes to undertake meaningful positions of influence and leadership throughout the Special Olympics movement both on and off the playing field.

Athlete Leadership in Ohio

We have Athlete Leaders who speak at events, recruit volunteers, facilitate competitions, volunteer, host opening ceremonies, and more.

Future Steps

We want to give Athlete Leaders the tools and training that they need to succeed. Special Olympics Ohio will start by offering a refresher course and the Introduction to Athlete Leadership Course. All current/previously trained Athlete Leaders should take the refresher course. All athletes interested in becoming Athlete Leaders should take the Intro to Athlete Leadership Course.

The refresher course will include new Athlete Leader training, mentor training components, and information about next steps and future courses.

Courses will begin in 2019. The exact course dates will be announced at a later date.
