2023 Summer Games
June 23rd-25th - Columbus, Ohio

THE OHIO STATE UNIVERSITY

WEXNER MEDICAL CENTER AND
HEALTH SCIENCE COLLEGES

Welcome from Special Olympics Ohio Leadership!

Dear Athletes, Families, Coaches, Partners, Volunteers, and Friends:

Here we are...about to embark on the largest Special Olympics Ohio event of 2023! It is beyond a doubt that we are back in a HUGE way! We couldn't be more excited about the overwhelming return to Summer Games with more participating athletes and local community-based organizations than I have seen in my time here as CEO of Special Olympics Ohio. On behalf of the Special Olympics Ohio Board of Directors and all of your Special Olympics Ohio staff team members, welcome to our 53rd State Summer Games!

This is the gathering of athletes, friends, and families, some who see each other only once a year at this event. This brings an extraordinary amount of contagious joy and camaraderie throughout the weekend. This year, we welcome over 2,250 athletes and Unified partners, 89 local community-based programs, and over 450 coaches. We expect to bring in more than 800 volunteers to support this year's Summer Games. In addition, we expect the return of more parents, supporters, and fans in the stands than ever before. The planning road has been long, the training has been hard, and the excitement has been building...but it's now time...time to celebrate the power of our athletes, time to witness the passion of the human spirit, time to experience the competition of world-class athletes, and time to be inspired as we all open our hearts to a wider world of human talent and potential.

We couldn't be here today without the support of so many people who continuously give of their time, talent, and treasure. Our coaches have inspired and motivated our athletes to accomplish goals some never dreamed possible. Our local community program leaders work tirelessly to make sure our athletes have what they need by orchestrating practices, transporting our athletes, and giving their hearts and souls to each and every one of them. Our sponsors and community supporters bridge the gap and provide the resources to make today possible. Our partnership with The Ohio State University provides our athletes with the best facilities in the country. Our volunteers and family members give their time, hearts, and passion to our athletes, all while cheering the loudest. Our Special Olympics Ohio Board of Directors lead the way with a laser focus on our athletes and our quality programming. And finally, last but not least, our Special Olympics Ohio staff who have worked around the clock in hopes of providing a high-quality competition, and never losing sight of executing the very best all-around experience for our athletes.

To all of you here this weekend, as we gather to witness and celebrate the accomplishments and strengths of our athletes, I hope you enjoy the spirit of inclusion all around us and remember that together, WE can help to make inclusion the rule instead of the exception. Enjoy an incredible weekend, truly feel the power of our athletes, and take away memories that last a lifetime.

To every athlete participating this weekend, congratulations on your work and accomplishments. You have worked hard to get here and these are YOUR games. As Mrs. Shriver once said, "You are the stars, and the world is watching you." Enjoy your weekend, your friends and family, and your accomplishments. We wish you the very best of luck!

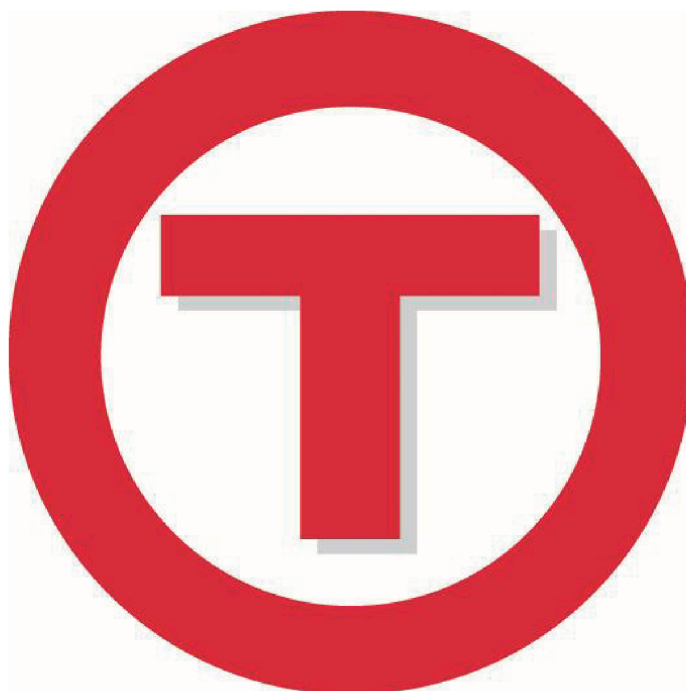

Warmly,

A handwritten signature in black ink that reads 'Jessica Stewart' in a cursive script.

Law Enforcement Torch Run

2023 STATE SUMMER GAMES

The Law Enforcement Torch Run (LETR) for Special Olympics Ohio is a partnership between Special Olympics Ohio and law enforcement agencies throughout the state. Over the course of the week leading up to the State Summer Games, officers join together to bike, run, and walk throughout Ohio. Their mission is to deliver the Flame of Hope to Opening Ceremonies of the Summer Games to ignite the ceremonial cauldron and officially start the Games. The Flame of Hope has been proudly carried by tens of thousands of officers over the past 42 years. LETR also fund raises in many other capacities, including Polar Plunge, Plane Pull and other LETR events.

Officers also participate in volunteer opportunities at SOOH sporting events throughout the year.

The Law Enforcement Torch Run is the largest public awareness vehicle and grass-roots fundraiser for Special Olympics. Thank you law enforcement!

Healthy Athletes® is a Special Olympics program that provides free health screenings and health education in a fun, welcoming environment with a focus on removing the anxiety people with intellectual disabilities often experience when faced with a visit to a medical professional. The impact of Healthy Athletes on the health and wellness of Special Olympics athletes around the world is significant! Since 1997, Healthy Athletes has discovered undetected health problems, alleviated pain and provided health services that otherwise would not be available.

Healthy Athletes is not only a program for athletes but, through training and hands-on experience at screenings, it is a program for health care students and professionals to increase knowledge of best practices in caring for people with intellectual disabilities.

Screenings are offered in eight different health areas:

Fit Feet

MedFest

FUN Fitness

Health
Promotion

Special Olympics
Lions Club
International
Opening Eyes

Strong Minds

Special Smiles

Healthy
Hearing

Accomplishments:

- Contributed to establishment of the American Academy of Developmental Medicine and Dentistry and the signing of the Special Olympics Sports and Empowerment Act of 2004
