PARTNERSHIP IMPACT

The Law Enforcement Torch Run® for Special Olympics Ohio (LETR) is a volunteer movement that was established by members of the law enforcement community to support Special Olympics. Each year, officers carry the “Flame of Hope” along with athletes into the Summer Games Opening Ceremonies at The Ohio State University. The flame symbolizes courage, perseverance, and the inclusion movement taking place in Ohio and across the globe.

Through partnerships and our peer-to-peer fundraising events, vital support is provided so that we can expand programming and ensure the impact of Special Olympics Ohio continues long into the future. These partnerships help us advance the inclusion movement through year-round sports, health education, and leadership programs. By offering 19 Olympic-style sports to 20,000 athletes in all 88 counties, we provide the opportunity for athletes to develop physical fitness, demonstrate courage, experience joy, and participate in a community where they belong.
