# Welcome from Special Olympics Ohio Leadership!

Dear Athletes, Families, and Friends,

This year, Special Olympics Ohio marks a momentous milestone: 50 years of fostering inclusion, pride, and opportunity for individuals with intellectual disabilities. Since our incorporation in 1975, the organization has grown into a statewide movement, providing sports training and competition for thousands of athletes each year.

The largest of these competitions is happening this weekend, the State Summer Games! It brings me immense joy to see such a vibrant gathering of talented athletes from across Ohio, each ready to demonstrate their dedication, determination, and sportsmanship on this incredible stage. These Games are so much more than a competition—they are a celebration of athleticism, camaraderie, and the indomitable human spirit. Here, dreams are realized, friendships are formed, and lifelong memories are created. Your commitment to excellence in your sport is truly inspiring, and it is an honor to witness your journey.

As the events unfold, I encourage you to embrace every moment. Celebrate your victories, learn from your challenges, and treasure the connections you make. While medals and accolades are important, it is the personal growth, perseverance, and unity we witness here that define the true spirit of these Games.

I would also like to extend my heartfelt gratitude to the incredible team that makes this event possible—our dedicated Special Olympics Ohio staff, generous partners, the Ohio State University team, sports directors, local coordinators, officials, and our many volunteers. Your hard work and unwavering support are the backbone of this extraordinary event.

As you take the field, remember to compete with integrity, support one another, and always lead with respect. Win or lose, know that you are part of something greater than yourself. Your participation is a powerful testament to your courage and passion. You remind us all of what it means to be brave in the attempt.

Once again, welcome to the State Summer Games 2025! May your journey be filled with joy, success, and unforgettable moments.

Good luck to you all,

# A SPECIAL PARTNERSHIP

Once again, Special Olympics Ohio and Ohio's YMCAs are partnering to provide memberships at NO COST to athletes and approved private providers.

## ELIGIBILITY

Athletes must check in with their Special Olympics Ohio local, accredited organization coordinator to fill out the necessary form. A returned letter will indicate whether the athlete is in good standing with the local organization as well as confirm that they have a current physical on file. Finally, the athlete must bring the letter to their local, participating YMCA.

will last through  
the entire year

# Law Enforcement Torch Run

2025 STATE SUMMER GAMES

The Law Enforcement Torch Run (LETR) for Special Olympics Ohio is a partnership between Special Olympics Ohio and law enforcement agencies throughout the state. Over the course of the week leading up to the State Summer Games, officers join together to bike, run, and walk throughout Ohio. Their mission is to deliver the Flame of Hope to Opening Ceremonies of the Summer Games, to ignite the ceremonial cauldron, and officially start the Games. The Flame of Hope has been proudly carried by tens of thousands of officers over the past 44 years. LETR also fundraises in many other capacities, including Polar Plunge, Plane Pull and other LETR events.

Officers also participate in volunteer opportunities at SOOH sporting events throughout the year.

The Law Enforcement Torch Run is the largest public awareness vehicle and grass-roots fundraiser for Special Olympics. Thank you law enforcement!

# The *choice* for your cancer care is clear.

A man with short grey hair, wearing a red cycling jersey and black gloves, holds a white and black cycling helmet under his left arm. He is standing outdoors in a grassy area with trees in the background.

Dennis, prostate  
cancer survivor

At The James, you're choosing the experts who understand there is no such thing as routine cancer. Where your care is delivered by a highly specialized, compassionate team dedicated to studying and treating just one type of cancer — yours. And where more than 1,700 scientists are working on new treatments — and new hope — for every form of cancer. All at the region's only comprehensive cancer center designated by the National Cancer Institute.

# Volunteers

2025 STATE SUMMER GAMES

Special Olympics Ohio could not do what we do without the help of volunteers! With athletes participating at the local, regional, and state levels, year round, we definitely need a lot of help to make it all possible.

There are hundreds of opportunities to volunteer with Special Olympics Ohio. Whether as a coach, at a sports practice or competition, or at one of our fundraising or other special events, extra hands are always welcome.

THANK YOU to all of the amazing volunteers who give so generously of their time, talents, and energy to make events for our athletes, participants, donors, and everyone else top-notch and unforgettable.
